Publication Ethics

Al-Tijary: Jurnal Ekonomi dan Bisnis Islam is a Journal of Islamic Economics and Business published by the Faculty of Islamic Economics and Business Sultan Aji Muhammad Idris State Islamic University, Samarinda, Indonesia. It is a peer-reviewed open-access journal in the fields of communication and socio-religious studies. The publication of an article in **AL-TIJARY** is an essential building block in the development of a respected network of knowledge. It is a direct reflection of the quality of the work of the authors and the institutions that support them. Peer-reviewed articles support and embody the scientific method. It is important to agree upon standards of expected ethical behavior for all parties involved in the act of publishing: the author, the journal editors, the peer reviewers, and the publisher.
